RE: Bascom v. The City of New York, et al.  
07 CV 8051 (RJH)

Your Honor:

I represent the plaintiff in the above referenced matter. At the initial conference, the Court granted plaintiff leave to join additional parties and file an amended complaint by March 4, 2008. The parties have not yet been able to identify the officers involved in part because certain NYPD records listing the officers assigned to work during the relevant tour were destroyed in a flood. However, the parties are working cooperatively to identify the officers who may have been involved in the events alleged in the complaint. Plaintiff has provided descriptions of the officers with whom he had contact to defendants. Defendants will attempt, with this information, to identify the officers by name. The parties anticipate that this process may take several weeks. Accordingly, plaintiff respectfully requests that Your Honor extend the deadline for plaintiff to join additional parties and amend his complaint to April 4, 2008.

I have conferred with Assistant Corporation Counsel, Susan Scharfstein, and she consents to this application. This is plaintiff's first request for an extension.
